6

L'attenzione alla qualità, alla sicurezza alla durata nel tempo sono uno degli obiettivi fondamentali di CIVIC.

I prodotti sono garantiti per 5 anni (SU RICHIESTA), a condizione che siano installati, mantenuti e utilizzati secondo le istruzioni e quanto comunicato nel catalogo o nel web.

Sono esclusi dalla garanzia i materiali di consumo come le sorgenti luminose, gli starter, gli accenditori e i reattori elettronici che rispondono alle norme di garanzia espresse dalla Direttiva Europea in materia.

Attention to the quality, safety and durability are the fundamental objectives of CIVIC. The products are guaranteed for 5 years (ON REQUEST), if they are installed, maintained and used according to the instructions and what is communicated in the catalog or on the web.

The consumption materials are excluded from the warranty, such as light sources, starter, accenditors and electronic ballasts which meet the guarantee standards of material filed expressed by the European Directive.

Simbolo	Descrizione	Description	Description
	MARCATURA CE CONTRADDISTINGUE LA CONFORMITÀ DEL PRODOTTO AI REQUISITI DI SICUREZZA PREVISTI PER L'IMMISSIONE SUL MERCATO DELL'UNIONE EUROPEA.	CE MARK IT DISTINGUISHES THE PRODUCT CONFORMITY TO THE SAFETY REQUIREMENTS THAT ARE NECESSARY FOR THE INTRODUCTION OF THE PRODUCT ON THE EUROPEAN MARKET.	MARQUE CE ELLE DISTINGUE LA CONFORMITÉ DU PRODUIT AUX REQUISÉS D'ASSURANCE QUI SONT PRÉVUS PUR L'INTRODUCTION DU PRODUIT SUR LE MARCHÉ DE L'UNION EUROPÉENNE.
	Classe 1 Apparecchio che necessita di messa a terra. Sono ad essa collegate tutte le parti che potrebbero essere toccate e in caso di difetto causare una scossa elettrica.	Class 1 Luminaire that needs earth connection. To the earth are connected all the parts that might be touched and in case of defect cause electrical shock.	Classe 1 Luminaire qui doit être relié à la terre. La terre doit être reliée à toutes les parties qui pourraient être touchées et en cas de défaut provoqué par un choc électrique.
	Classe 2 Apparecchio che non necessita di messa a terra. Tutte le parti metalliche che potrebbero causare una scossa elettrica in caso di difetto non possono essere toccate.	Class 2 Luminaire that doesn't need earth connection. All the metal parts that might cause electrical shock in case of defect cannot be touched.	Classe 2 Luminaire que nécessite pas d'être relié à la terre. Toutes les parties métalliques qui pourraient causer un choc électrique ne peuvent pas être touchées.
	Classe 3 Apparecchio per uso a bassa tensione (non superiore a 24V) con alimentazione mediante trasformatore di sicurezza.	Class 3 Luminaire for low voltage use (not exceeding 24V) supplied with a safety transformer.	Classe 3 Luminaire bas voltage (n'excédant pas 24V) alimentés par un transformateur de sécurité.
IP	Grado di protezione dell'apparecchio contro l'ingresso di solidi e liquidi; la prima cifra identifica il grado di protezione contro l'ingresso di corpi solidi, la seconda quello contro l'ingresso di liquidi.	Protection degree of the fitting against the penetration of solids and liquids; the first number identifies the protection degree against the entry of solid bodies, the second one the protection degree against the entry of liquid.	Degrée de protection offert par les appareils contre la pénétration des solides et liquides; le premier chiffre indique la protection contre la pénétration des corps solides, le deuxième chiffre pour les liquides.
IP1X	IP1X - Protetto contro la penetrazione di corpi solidi di dimensioni superiori a 50 mm. IP2X - Protetto contro la penetrazione di corpi solidi di dimensioni superiori a 12 mm. IP3X - Protetto contro la penetrazione di corpi solidi di dimensioni superiori a 2,5 mm. IP4X - Protetto contro la penetrazione di corpi solidi di dimensioni superiori a 1 mm. IP5X - Protetto contro la penetrazione della polvere. IP6X - Protetto completamente contro la penetrazione della polvere.	IP1X - Protected against the entry of solid bodies with dimensions of more than 50 mm. IP2X - Protected against the entry of solid bodies with dimensions of more than 12 mm. IP3X - Protected against the entry of solid bodies with dimensions of more than 2,5 mm. IP4X - Protected against the entry of solid bodies with dimensions of more than 1 mm. IP5X - Protected against entry of dust. IP6X - Completely protected against entry of dust.	IP1X - Protégé contre la pénétration de corps solides supérieurs à 50 mm. IP2X - Protégé contre la pénétration de corps solides supérieurs à 12 mm. IP3X - Protégé contre la pénétration de corps solides supérieurs à 2,5 mm. IP4X - Protégé contre la pénétration de corps solides supérieurs à 1 mm. IP5X - Protégé contre la pénétration de la poussière. IP6X - Totalelement protégé contre la pénétration de la poussière.
IPX1	IPX1 - Protetto contro le cadute verticali di gocce d'acqua. IPX2 - Protetto contro le cadute dell'acqua con inclinazione massima di 15°. IPX3 - Protetto contro la pioggia. IPX4 - Protetto contro gli spruzzi. IPX5 - Protetto contro i getti d'acqua. IPX6 - Protetto contro le ondate. IPX7 - Protetto all'immersione temporanea. IPX8 - Protetto alla sommersione prolungata.	IPX1 - Protected against the vertical falling of water drops. IPX2 - Protected against the falling of water with maximum inclination of 15°. IPX3 - Protected against rain. IPX4 - Protected against sprinklings. IPX5 - Protected against water jets. IPX6 - Protected against waves. IPX7 - Protected against temporary immersion. IPX8 - Protected against prolonged immersion.	IPX1 - Protégé contre les chutes verticales de gouttes d'eau. IPX2 - Protégé contre les chutes d'eau pour une inclinaison maximale de 15°. IPX3 - Protégé contre la pluie. IPX4 - Protégé contre les projections d'eau. IPX5 - Protégé contre les jets d'eau. IPX6 - Protégé contre les paquets de mer. IPX7 - Protégé contre les effets de l'immersion. IPX8 - Protégé contre les effets de l'immersion prolongée.
	Angolo di basculamento.	Adjustment angle.	Orientable verticalement.
	Angolo di rotazione.	Rotation angle.	Orientable horizontalement.
	Distanza minima dall'oggetto illuminato.	Minimum distance from the enlightened object.	Espacement minimum à l'objet illuminé.

Condizioni generali di vendita / General sales condition / Conditions de vente

1. TERMINI DI CONSEGNA

La merce viaggia sempre a rischio e pericolo del committente.

Gli ordini verranno evasi in base alle disponibilità e le spedizioni potranno essere fatte anche parzialmente. La merce viene sempre resa franco nostro stabilimento.

Nel caso in cui dovessero verificarsi mancanze, manomissioni oppure danneggiamenti della merce, l'acquirente dovrà apporre riserve scritte al trasportatore all'atto della ricezione della merce al fine di avere diritto alla riparazione o reintegrazione. Se tali riserve non venissero apposte al trasportatore, l'acquirente perderà automaticamente il diritto alla reintegrazione o riparazione dei prodotti. Qualsiasi esportazione delle merci acquistate deve essere precedentemente autorizzata dalla CIVIC.

2. RESO DI MERCE

I resi di merce potranno essere accettati soltanto previo accordo scritto formale tra la nostra società e l'acquirente.

Tuttavia, tutti quei prodotti non presenti sui listini e cataloghi della nostra società ed oggetto di fabbricazioni o ordini particolari non potranno essere resi in ogni caso. Le spese ed i rischi relativi ai resi di merce rimarranno sempre a carico esclusivo dell'acquirente. Solo dopo una verifica da parte nostra del materiale reso, la nostra società potrà dar luogo ad una nota di credito a favore dell'acquirente o eventualmente alla sostituzione. Rimane inteso che qualsiasi indennità o risarcimento danni a favore dell'acquirente rimarrà esclusa.

3. PAGAMENTI

Si riconoscono solamente i pagamenti fatti direttamente al nostro domicilio o a persone autorizzate, da noi, per iscritto. In caso di ritardato pagamento, totale o parziale, verranno addebitati i relativi interessi di mora. Per qualsiasi sommanon pagata alla scadenza riportata sulla fattura, si prevede l'applicazione d'interessi moratori pari al tasso BCE +7% (D.lgs 231/2002)

4. RISERVA DI PROPRIETA'

Per pagamento da effettuarsi in tutto o in parte dopo la consegna i prodotti consegnati restano di proprietà del venditore fino al momento del completo pagamento del prezzo, nella misura permessa dalla legge del paese dove i prodotti si trovano. Il compratore per tanto si impegna a fare quanto necessario per costituire nel suddetto paese una valida riserva di proprietà nella forma più estesa consentita, o porre in essere un'analoga forma di garanzia a favore del venditore.

5. LIMITI DI RESPONSABILITA'

I disegni, le quote, i materiali e i colori degli articoli del presente catalogo si intendono a titolo indicativo.

Al venditore è riservata la facoltà di modificare o perfezionare i prodotti senza obbligo di preavviso o di comunicazione, in base alle proprie esigenze. Le caratteristiche dei prodotti non sono quindi da considerarsi impegnative. Di conseguenza in nessun caso il venditore potrà essere ritenuto responsabile per danni diretti, indiretti o consequenziali, perdite di produzioni o mancati profitti derivanti da modifiche tecniche ai prodotti. Eventuali esportazioni devono essere autorizzate dalla Civic.

6. FORO COMPETENTE

Per qualsiasi controversia viene riconosciuta la competenza esclusivamente del foro del venditore.

1. DELIVERY TERMS

All goods travel at the Purchaser's own risk. Goods will be delivered in relation to availability and partial orders will also be dispatched. Goods are always delivered ex-factory.

On receipt of the goods, any losses, damages or tampering, the purchaser must immediately advise the Carrier concerned in order to obtain the right for the repairing or re-instatement of order.

The Purchaser will automatically lose any right to the repairing or re-instatement of their order if this written notice is not submitted to the Carrier.

Any export of the purchased goods must be previously authorised by Civic.

2. GOODS RETURNED

Goods can only be returned if previously agreed between the parties.

In any case, all the products not included in our price list and catalogue and produced especially for the purchaser, will not be returned. All returns are at risk and cost of the Purchaser.

Goods returned will firstly be evaluated before a credit note in favour of the Purchaser will be passed or substitution of the goods.

In any case the purchaser shall not be entitled to any indemnity or reimbursement of damages.

3. PAYMENTS

Only payments made directly to our domicile or to persons authorized by ourselves in writing will be accepted. Any delays in payment or partial payments, could result in default interest being charged to the Purchaser.

Any amounts outstanding on invoice expiry date, the seller has the right to charge interest at the rate indicated from BCE + 7% (according with D.lgs 231/2002).

4. TITLE RESERVATION

All goods delivered remain the property of the Seller until all payments have been made in full, within the limits of the law of the country where the products are located.

Consequently the purchaser will have to do all he can in order to constitute, in the country where the products are located, a property reservation in the most extensive form permitted or to create a similar form of guarantee in favour of the seller.

Drawings, sizes, materials and colours of the product contained in this catalogue are purely indicative.

5. MANUFACTURER'S RESPONSIBILITY

The seller will have the right to modify or to improve its products without being obliged to previously advise or inform the other party, in relation with its needs. Technical specifications of products are not binding. Consequently under no circumstances can the Seller be considered responsible for direct, indirect or consequential damages, loss of production or lack of profit.

Any exportation must be authorized from Civic.

6. COMPETENT JURISDICTION

The seller's court will be competent for any controversy.

1. DÉLAIS DE LIVRAISON

Les marchandises sont transportées aux risques du client. Les marchandises seront livrées selon disponibilité et livraisons partiels sont permises. Les conditions de livraison sont toujours ex-magasin.

Le client doit vérifier immédiatement et soigneusement les marchandises au moment du livraison.

Les réclamations éventuelles pour marchandises manquantes ou vices apparents, les litiges ou les contestations sur les marchandises ne sont recevables que si elles sont introduites par lettre directement après réception des marchandises.

Sinon le client perd automatiquement le droit à la réparation des marchandises sous garantie ou le remplacement éventuel des marchandises.

Tout les exportations de marchandises doivent être précédemment autorisés par Civic.

2. RENVOI DES MARCHANDISES

Aucun renvoi des marchandises n'est accepté sans autorisation préalable par écrit du fournisseur.

En tout cas, toutes les marchandises qui ne se trouvent pas sur notre liste de prix et dans notre catalogue, parce que elles sont fabriquées spécialement pour notre client, ne peuvent pas être renvoyées.

Le renvoi des marchandises sera au risque et au charge du client. Seulement après un contrôle profonde des marchandises retournées et si notre société estime qu'un renvoi est fondé, nous considerons la possibilité de rédiger une note de crédit ou le remplacement des marchandises.

En tout cas l'acheteur des marchandises n'a uncu droit à des dommages-intérêts.

3. PAIEMENT

Toutes les factures sont payables de plein droit sur les comptes bancaires de notre société ou sur les comptes de nos agents, ceci seulement après autorisation écrite de notre part. A défaut de paiement à l'échéance de la facture ou à un paiement partiel de la facture le montant facturé sera majoré de dommages-intérêts. Les factures produiront des intérêts selon la BCE +7% (D.lgs 231/2002) l'an sur les montants non-payés à l'echeance sans que cela nécessite une quelconque mise en demeure.

4. RÉSERVE DE PROPRIÉTÉ

Tant que le client n'a pas entièrement satisfait à ses obligations, notamment tant qu'il n'a pas payé ses dettes, les marchandises fournis par Civic demeurent sa propriété. Par conséquence le client doit faire toutes les actions nécessaires en ordre de constituer, dans le pays de destination sa réserve de propriété ou de créer un garantie en faveur du vendeur. Les formes, dimensions, couleurs des appareils présenté dans ce catalogue sont donnée à titre indicatif.

5. RESPONSABILITÉ DU PRODUCTEUR

Le producteur se garde le droit de modifier ou d'améliorer ses produits sans informer au préalable ses clients. Spécifications techniques ne sont pas considérées contraignant.

Par conséquent le vendeur ne peut être tenu pour responsable, directement ou indirectement, des dommages éventuels de l'acheteur.

L'exportation des produits Civic doit être autorisée.

6. LITIGES

En cas de litige le tribunal du vendeur est compétent et le droit Italien est d'application.
