# NEW PRODUCTS

<sup>(ENG)</sup> Since 1969, we have honored our heritage and family traditions, our passion for lighting, and our expertise in shaping metal, all while continuing to expand our horizons through creativity, research, and innovation. Commitment to human values and experience drives our design and production to the highest quality. We constantly seek a balance between function, aesthetics, and sustainability with lamps that offer rational design and adaptability to user needs.

<sup>(ESP)</sup> Desde 1969, conservamos nuestra herencia y tradición familiar, preservando la pasión por la luz y la habilidad de dar forma al metal a la vez que ampliamos nuestros horizontes a través de la innovación, la creatividad y la emoción. El valor humano, el compromiso y la experiencia son el motor que impulsa nuestro diseño y producción de lámparas metálicas de alta calidad. Buscamos constantemente el equilibrio entre funcionalidad, estética y sostenibilidad, para ofrecer lámparas decorativas de diseño racionalista, adaptables a las necesidades del proyecto.

# LOOP

Gerardo Mari

(ENG) A scribed curl suspended in the air carries a single lighted globe, a casually sophisticated look for any room and mood.

(ESP) Una espiral dibujada en el aire sostiene un solo globo iluminado, un estilo casualmente sofisticado para cualquier habitación y ambiente.

(ENG) A combination of materials provides texture and personality to Loop, giving it a unique expression of style as a solo act or in a cascade of multiples. (ESP) LOOP combina e intercala diversos materiales, aportando textura y personalidad a la luminaria, transformando cada detalle en una expresión única de estilo y sofisticación.

# BELT

Ilmiodesign

(ENG) A collection of elements comprises Belt, a lighting system that uses its system of components to create custom compositions to suit space and design. This simple and balanced design embodies the concept of discreet elegance and the perfect balance between its components.

(ESP) Un diseño simple y equilibrado que encarna el concepto de elegancia discreta. La esencia de Belt radica en el diálogo y equilibrio perfecto entre sus componentes, que la convierten en una pieza de naturaleza camaleónica y adaptable.

(ENG) The metal shade is available in three different and interchangeable sizes which can be installed in different positions or omitted altogether, allowing you to create unique and personalized compositions. This chameleon-like design flexibility not only adds a touch of creativity, but also produces a play of light and shadow for a sophisticated atmosphere. (ESP) La pantalla metálica está disponible en tres tamaños distintos que són intercambiables y pueden instalarse en diversas posiciones o omitirse, permitiendo crear composiciones divertidas, únicas y personalizadas. Esta flexibilidad de diseño no solo añade un toque de creatividad, sino que también produce un juego de luces y sombras que genera una atmósfera única y sofisticada.

(ENG) Facing up, facing down. The metal shade can be quickly and easily changed to subtly alter Belt's character and manner of illumination.  
 (ESP) Una vez instalada, la pantalla de metal puede colocarse hacia abajo o hacia arriba para adaptarse a diferentes estilos y necesidades decorativas.

# ARCO

Carrasco Barceló

(ENG) A silicone tube of uniform light is supported within a metal structure to provide direct or indirect illumination. Arco uniquely interacts with its environment with versatility and functionality. The innovative use of the silicone tube allows Arco to be used both indoor and outdoor.

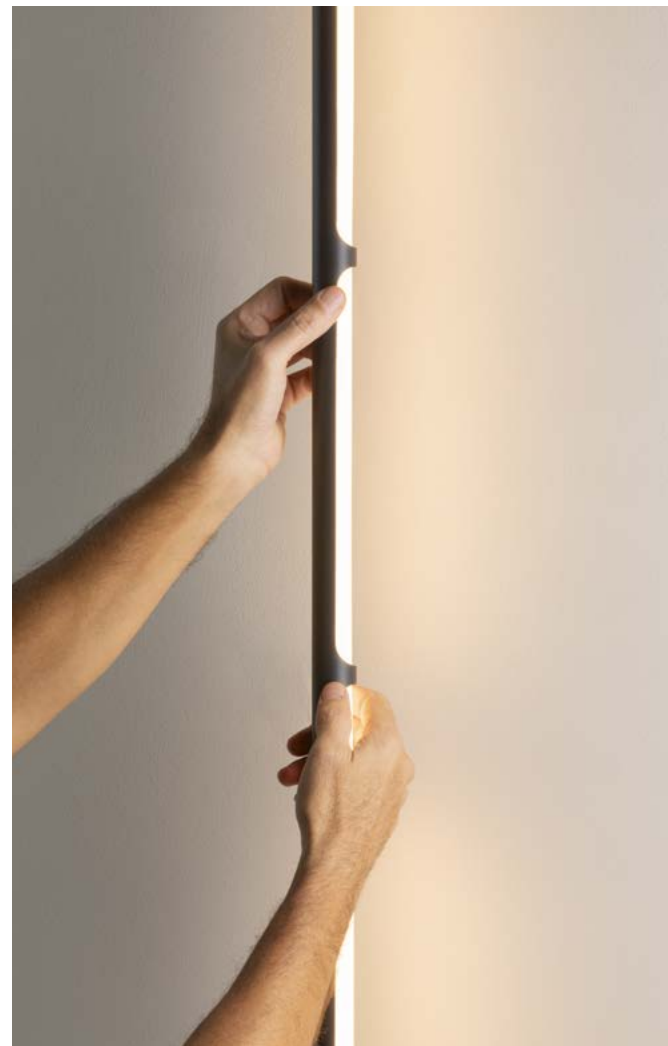

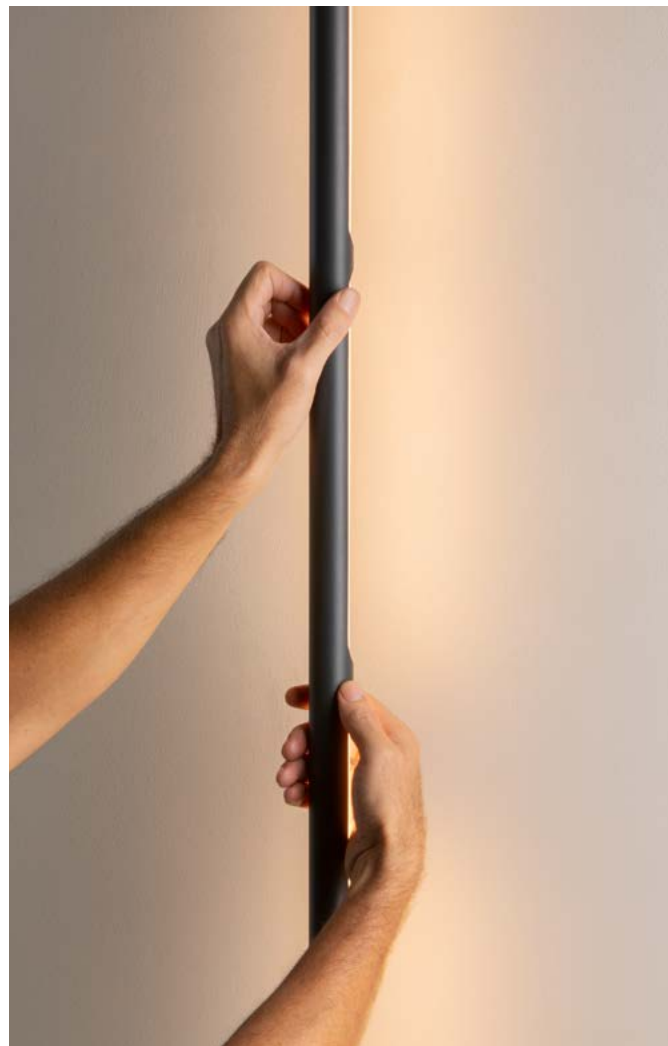

(ESP) La colección Arco está diseñada a partir de un tubo de silicona que distribuye la luz de manera uniforme. En la versión de pared, este elemento está rodeado por una estructura metálica que le aporta carácter y robustez. Arco aplique no solo ilumina, sino que interactúa con el entorno, creando un ambiente versátil y funcional.

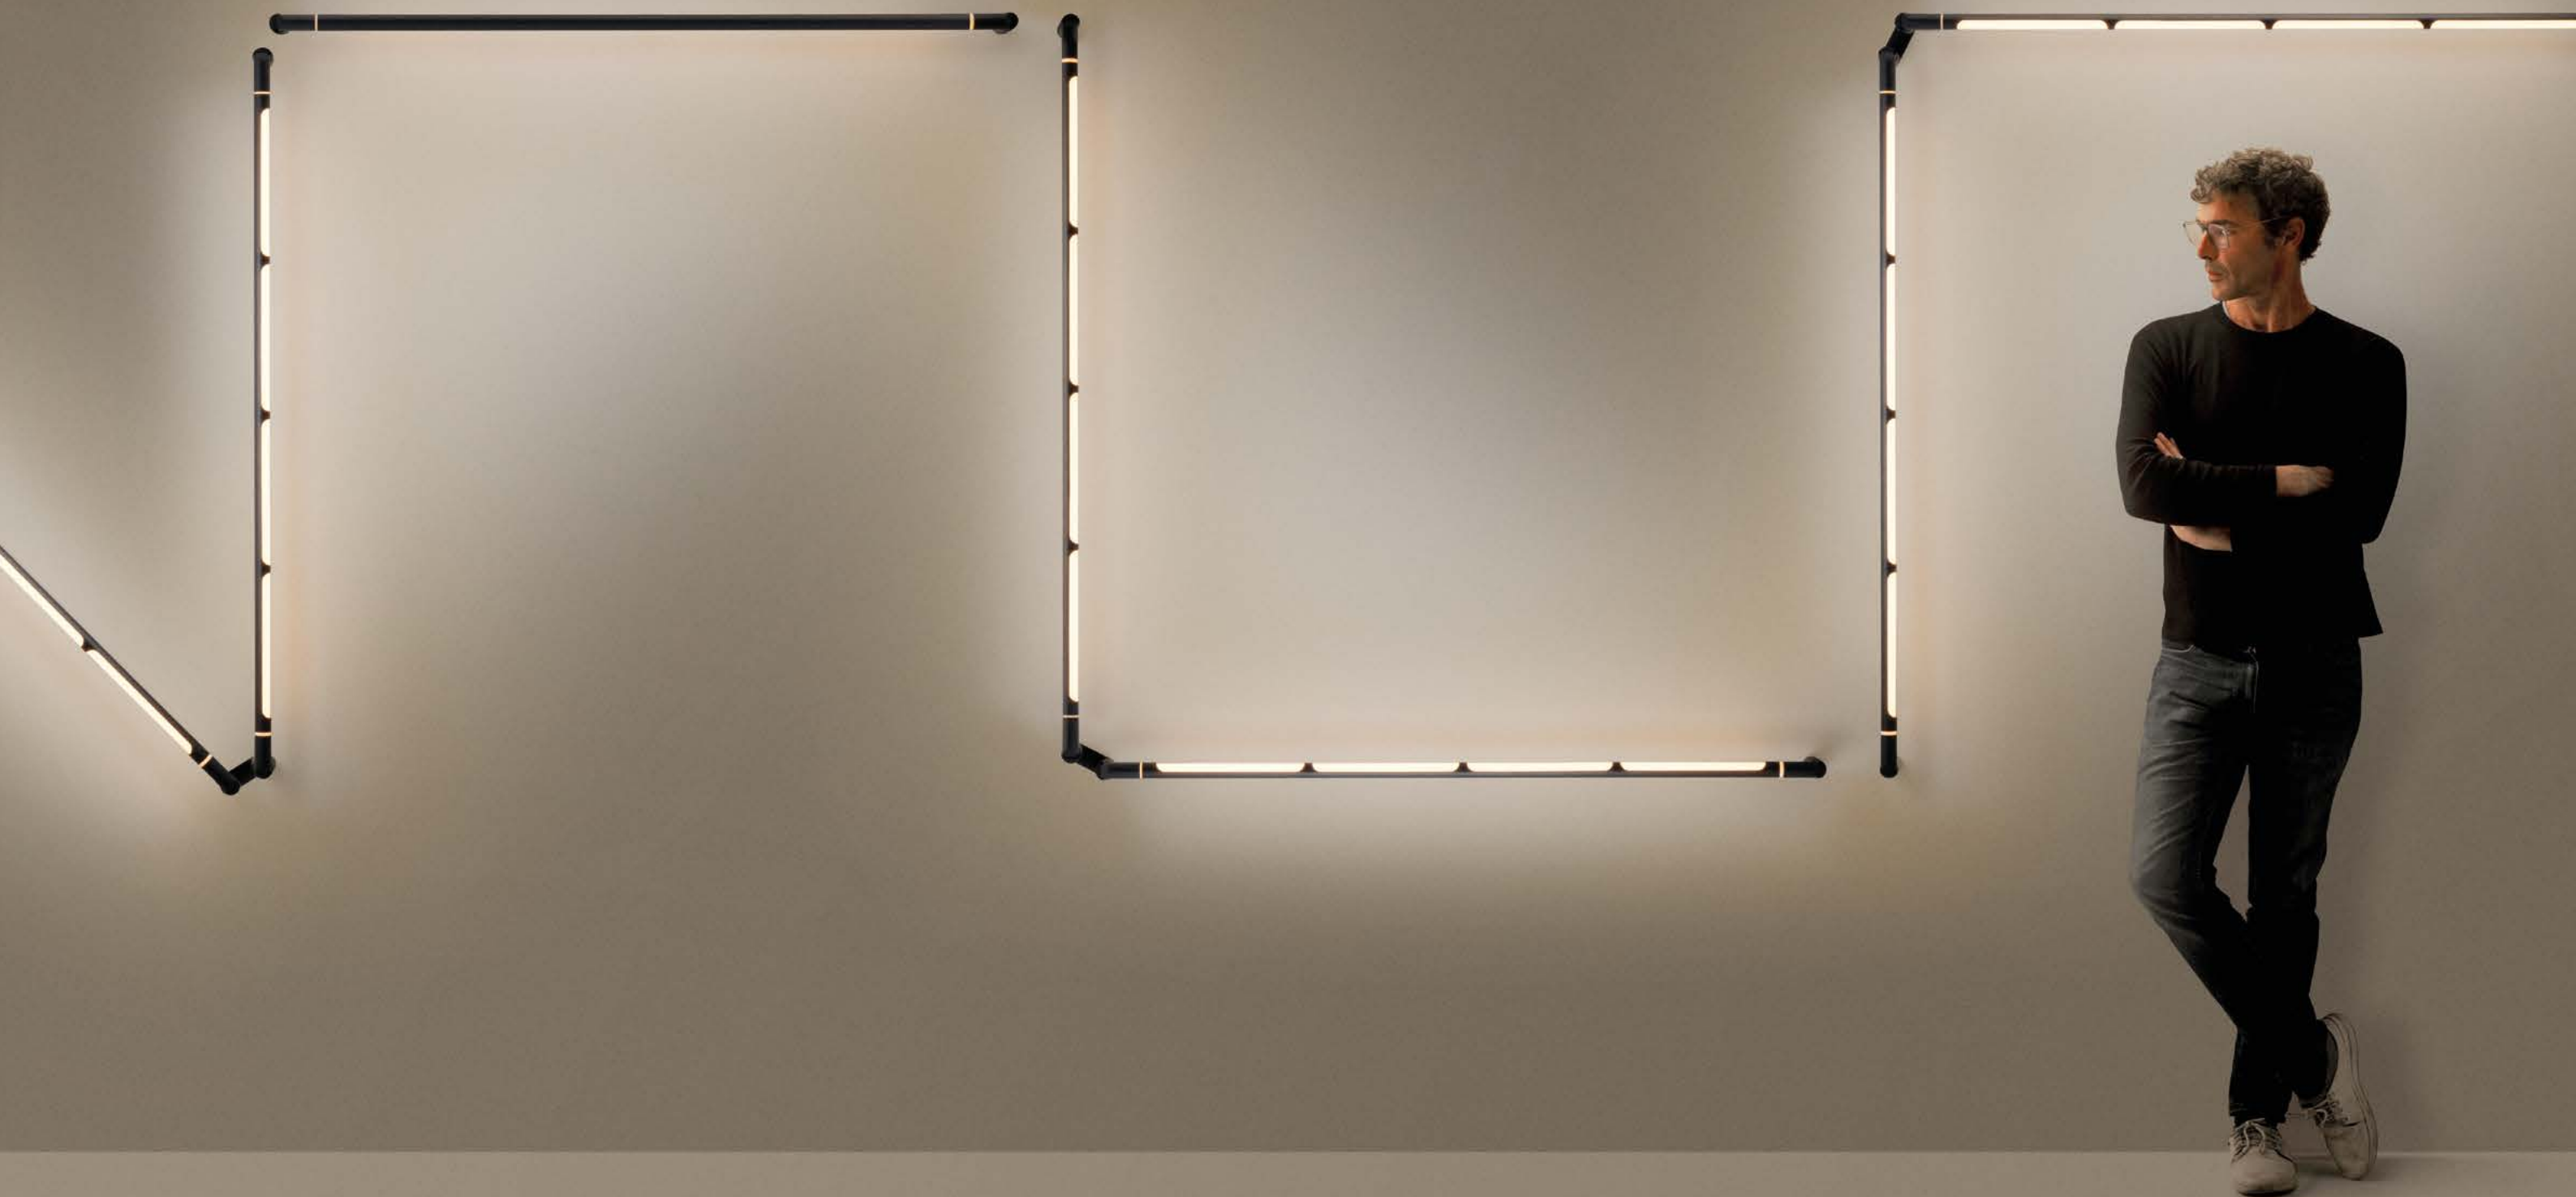

## ARCO · WALL LIGHT

(ENG) Arco's metal structure can be rotated around the silicone tube to allow the light to be modified from direct to indirect, adapting to different lighting needs and creating a subtle shift in the environment (ESP) La estructura metálica cuenta con ranuras en una de sus caras que permiten modificar la luz, pasando de directa a indirecta, para crear una atmósfera cambiante que se adapta a distintas necesidades de iluminación.

CE IP65

<sup>(ENG)</sup> Nostalgia for the garlands of lights at outdoor fairs and markets inspires Arco. The silicone tube allows unique flexibility in lighting all areas, indoor and outdoor, its soft and festive light not only illuminates, but also complements terraces and gardens to create cozy and attractive spaces.

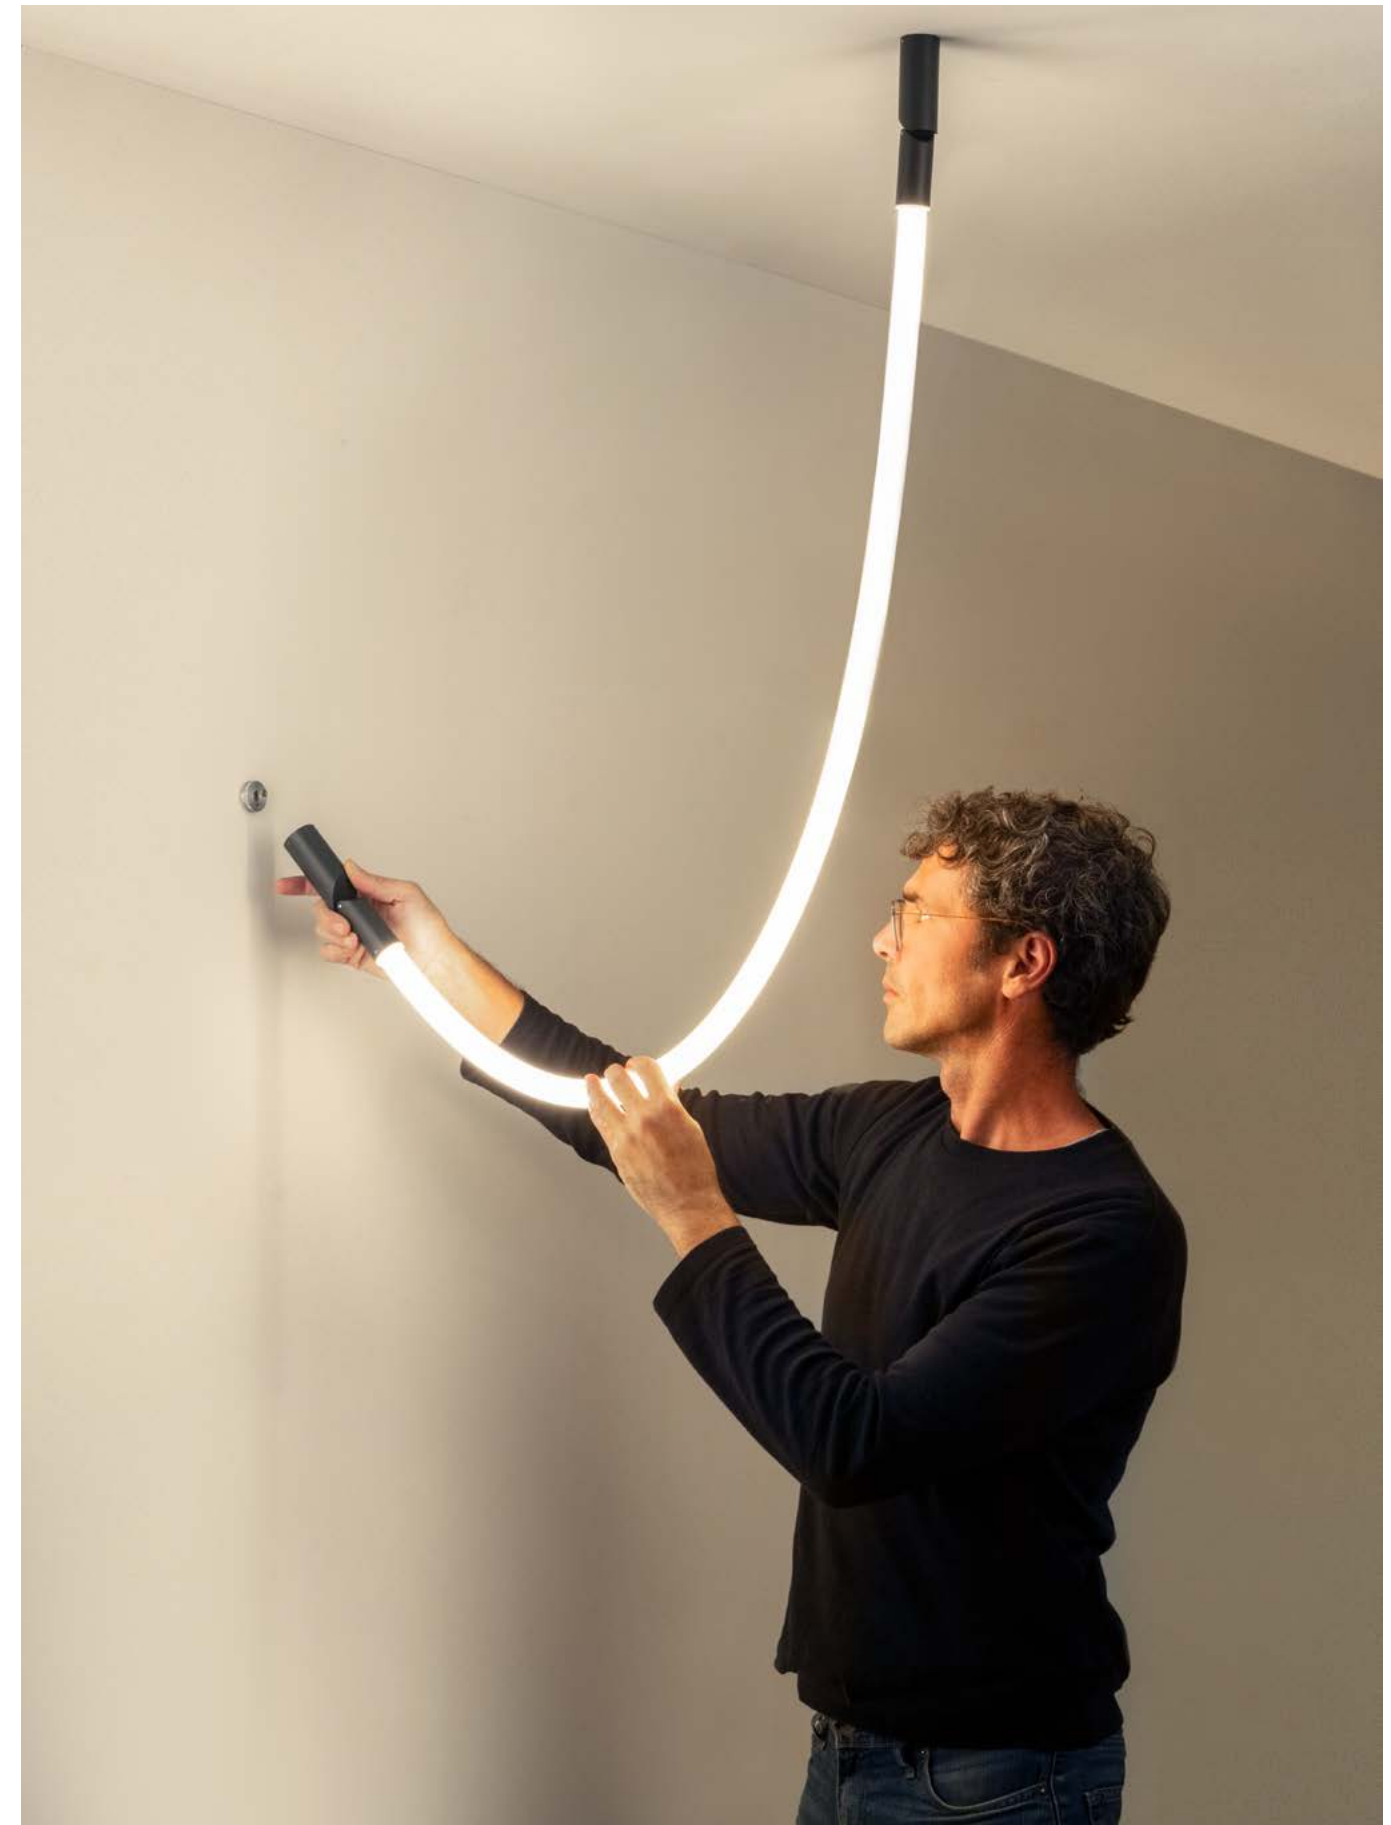

<sup>(ESP)</sup> Arco es una colección de luminarias de exterior que nace de la nostalgia y el encanto de los farolillos que adornan las ferias locales. Su luz suave y festiva no solo ilumina, sino que también decora terrazas y jardines, creando espacios acogedores y atractivos.

<sup>(ENG)</sup> Arco's illuminated tube offers freedom of movement to create different shapes, adapting to the needs of the space and the desired design. Single modules can be linked with others, to form a continuous glowing chain with soft and elegant undulations. <sup>(ESP)</sup> En la suspensión, el tubo iluminado ofrece flexibilidad y libertad de movimiento. Cada lámpara parte de un único módulo que puede conectarse con otros permitiendo formar una cadena luminosa con suaves y elegantes ondulaciones.

# SHAPES

Jordi Pla

<sup>(ENG)</sup> An architectural wall light designed to subtly integrate into its space. Its metal structure takes on a new angle to surround the light and project it indirectly to create a soft glow.

<sup>(ESP)</sup> Shapes es un aplique arquitectónico diseñado para integrarse sutilmente en el espacio. La pieza se conforma de dos pantallas metálicas que envuelven la luz de forma orgánica, y la proyectan indirectamente para crear atmósferas suaves, acogedoras y equilibradas.

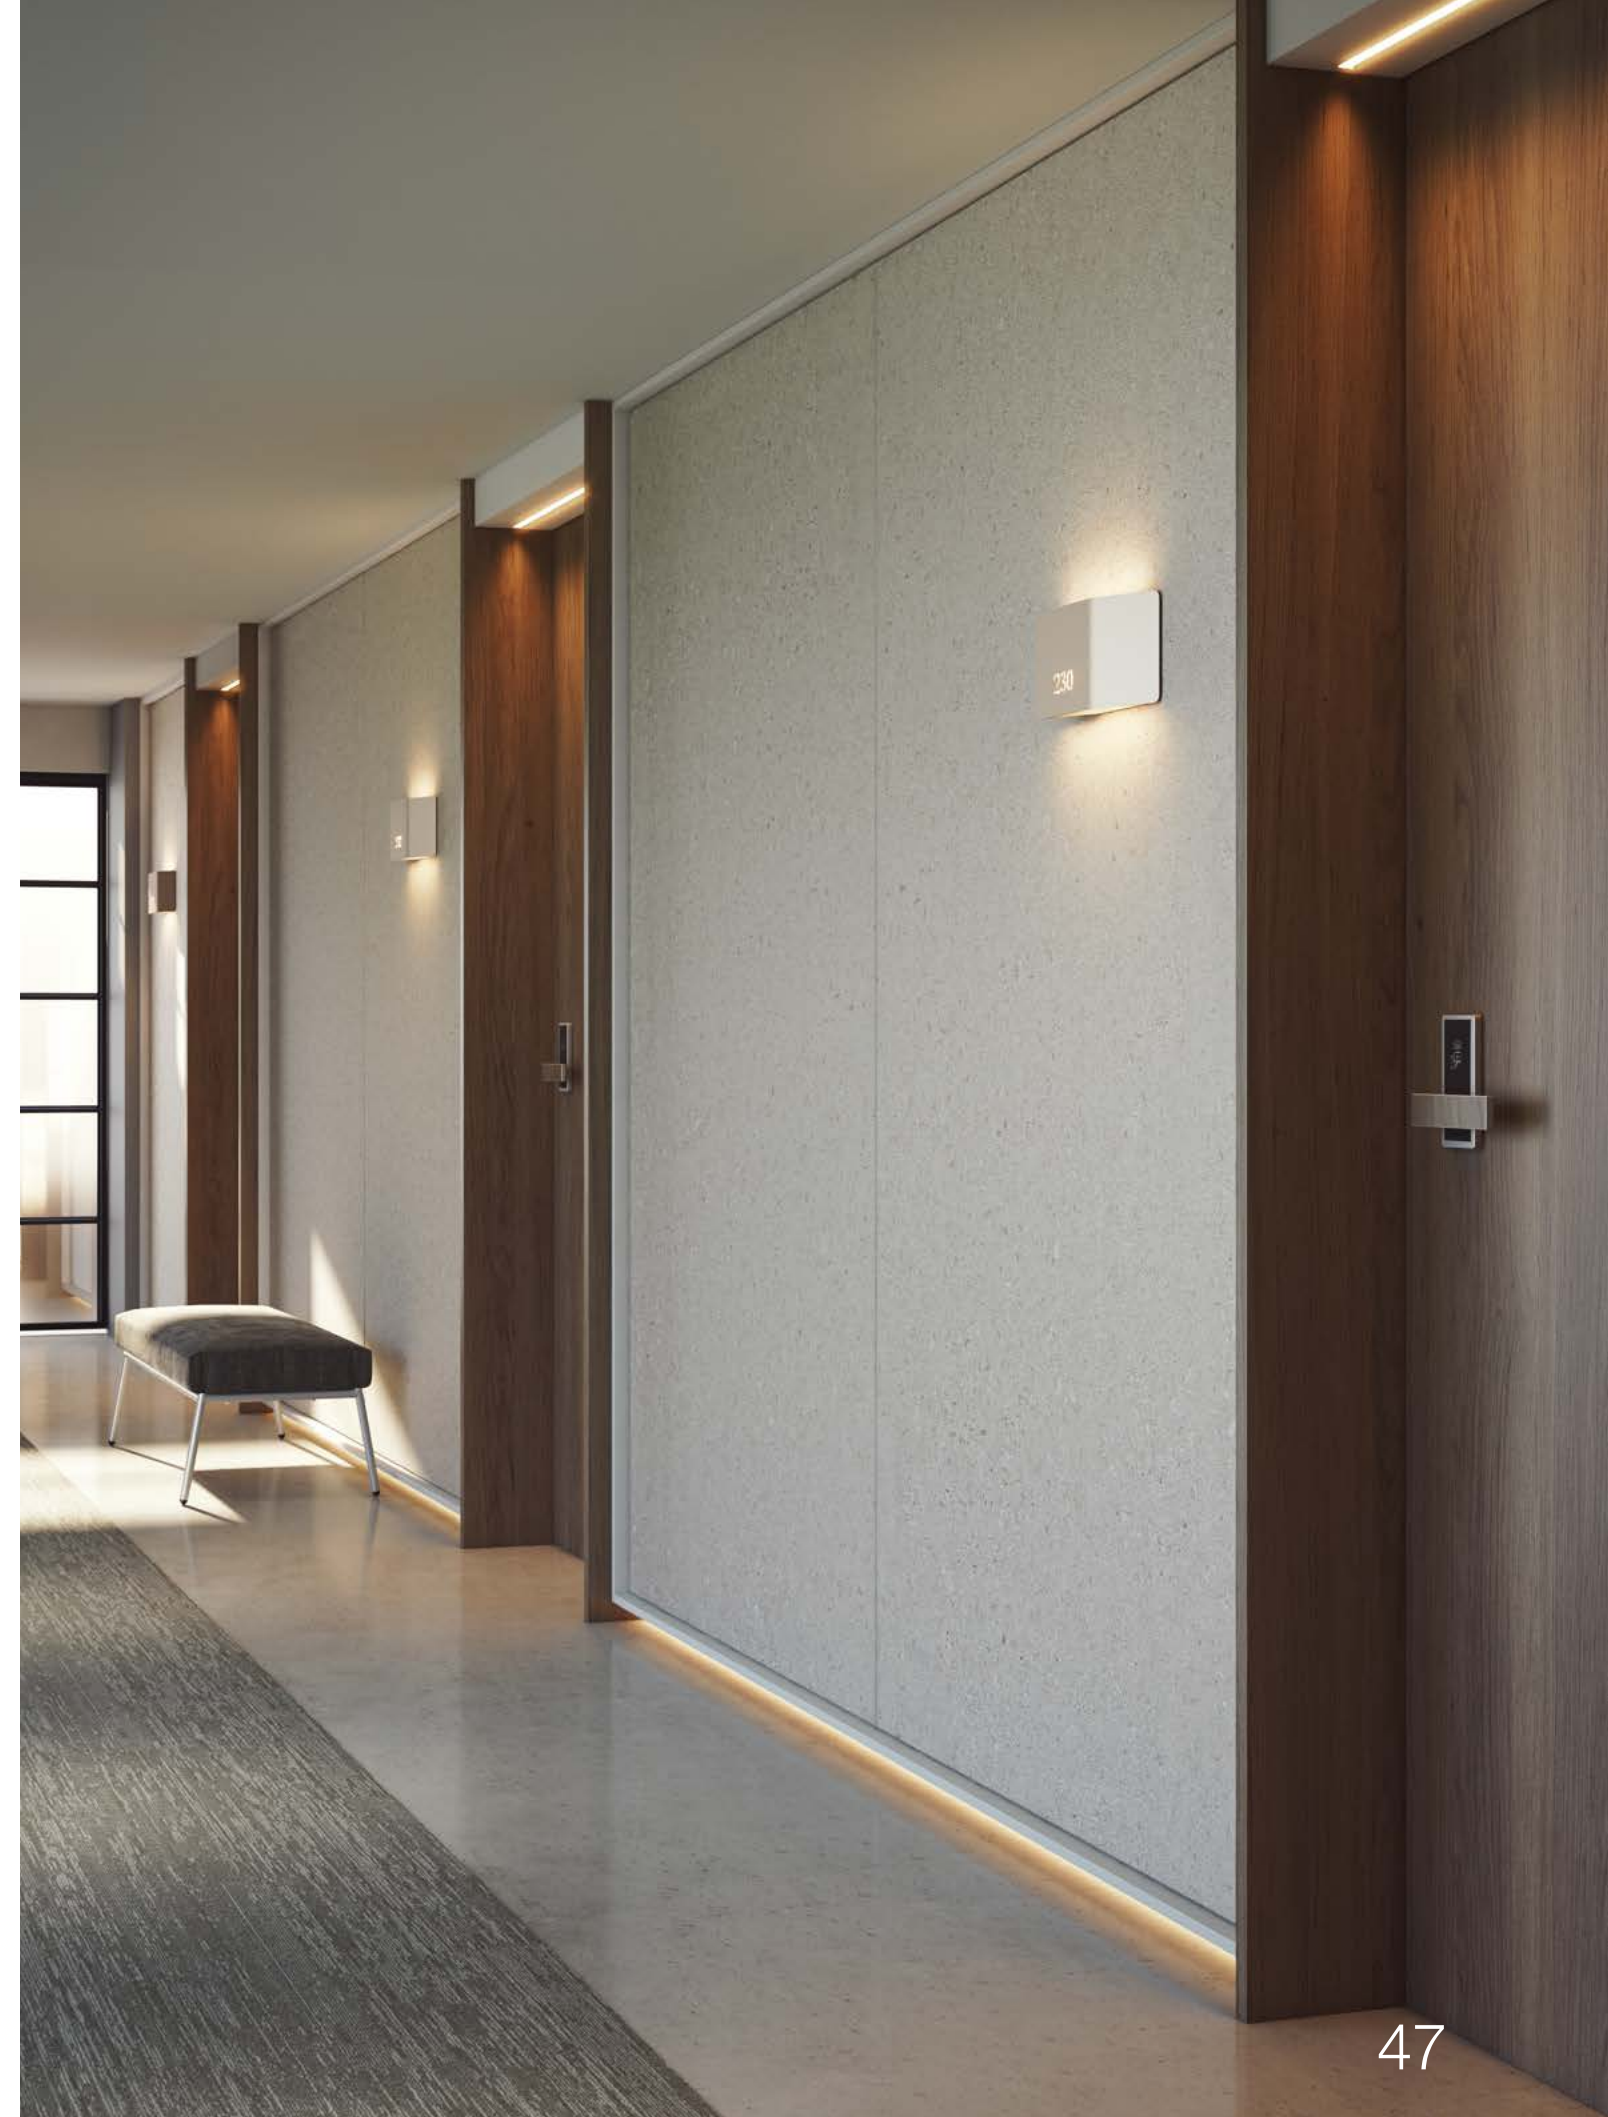

(ENG) The asymmetrical wall light offers a visually compact and coherent harmony. Installed vertically or horizontally, Shapes allows multiple configurations to create a dynamic wall. Its sheet metal construction permits discreet illuminated signage in commercial spaces. (ESP) El aplique lateralmente asimétrico mantiene una armonía visual que es compacta y coherente. Esta singularidad aporta dinamismo sin comprometer el equilibrio estético del conjunto, permitiendo múltiples configuraciones para crear figuras en la pared.

# TIK

*Boti de Dominicis Studio*

<sup>(ENG)</sup> TIK presents a unique simplicity of profile with quality details and intersecting volumes that gives it a distinctive yet subtle presence.

<sup>(ESP)</sup> Su simplicidad contrasta con la calidad de los detalles, una delicada intersección de los distintos volúmenes aporta a TIK un interesante rasgo diferencial en el escenario de la iluminación para exterior.

(ENG) TIK transforms an element as primary and accessible as a tube to create a captivating collection of luminaires designed to enhance outdoor spaces and with an earthy palette to complement its surroundings.

(ESP) TIK transforma un elemento tan simple y accesible como un tubo, en una cautivadora colección de luminarias diseñadas para realzar espacios exteriores.

# MOOD

*Nahtrang Studio*

<sup>(ENG)</sup> Mood redefines lighting with its exceptional combination of flexibility, portability, and versatility. Its different possibilities arise from a rounded shade that hides an LED strip and turns the lamp into a unique and hypnotic piece. <sup>(ESP)</sup> Mood redefine la iluminación con su excepcional combinación de flexibilidad, transportabilidad y versatilidad. Sus diferentes posibilidades surgen a partir de una pantalla redondeada que esconde una tira LED y convierte a la lámpara en una pieza única e hipnótica.

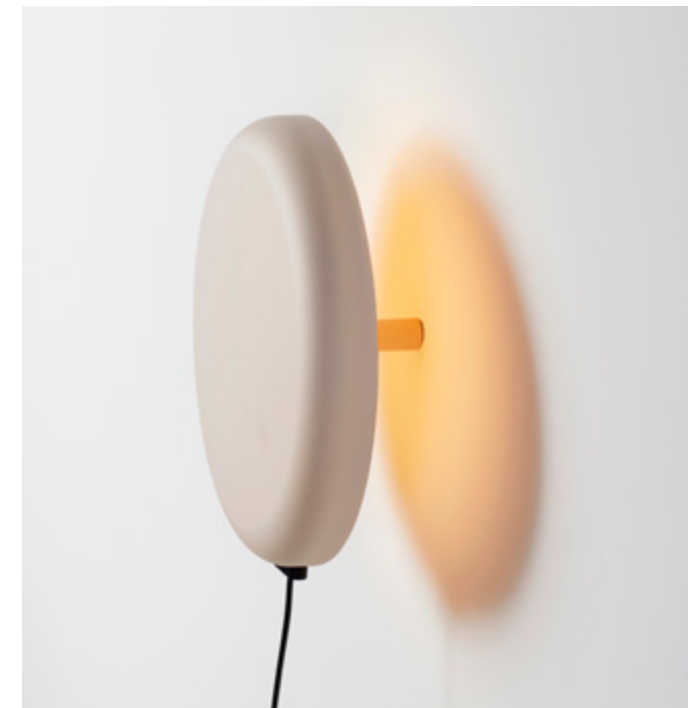

(ENG) A single shade can be attached to different supports and in different positions, easily transforming into four different types of lamps.  
 (ESP) Un solo cabezal puede ser acoplado a distintos soportes y en distintas posiciones, para convertirse fácilmente en diferentes tipos de lámparas.

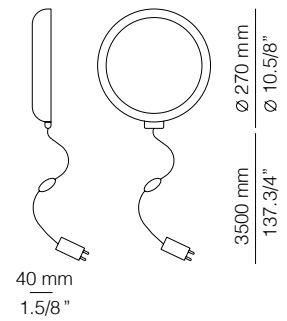

(ENG) Mood's innovative design dissuades its users from placing it in a fixed location and facilitates that it can be moved from one place to another without complications or installations. (ESP) El diseño innovador de Mood evita que la lámpara tenga un emplazamiento fijo y facilita que pueda ser trasladada de un lugar a otro sin complicaciones ni instalaciones.

# COMPASS

*Nahtrang Studio*

<sup>(ENG)</sup> Compass is a simple sphere on a wire and attached to an aircraft cable: not only a delicate and timeless reference but a means to transform spaces with its form and structure, either singly or in multiples. <sup>(ESP)</sup> Compass destila sensibilidad en sus líneas puras y sencillas, a partir de delicadas referencias del arte y la vida cotidiana. El conjunto de luminarias transforma una gran diversidad de espacios con una narrativa atemporal de forma y estructura.

(ENG) A subtle counterweight slides vertically to allow the repositioning and functionality of Compass to be quickly changed at any time.

(ESP) La suspensión se caracteriza por un sutil contrapeso que se desliza verticalmente y que permite cambiar la geometría y funcionalidad de la lámpara en cualquier momento.

<sup>(ENG)</sup> Compass is conceived as a luminaire that can be configured with two, four, or six heads. <sup>(ESP)</sup> Compass se concibe como una luminaria compuesta que permite dos, cuatro y seis pantallas.

(ENG) The flexibility and versatility of individual suspension open up a world of surprising and playful compositional possibilities, either through repetition or by transforming it into a wall light. (ESP) La flexibilidad y versatilidad de la suspensión individual abre un mundo de sorprendentes y lúdicas posibilidades compositivas, ya sea a través de la repetición o al convertirla en un aplique.

MODIFICATIONS / MODIFICACIONES

(ENG) Estiluz reserves the right to modify or discontinue, without previous notice, products in the catalog. Please check our web for current product availability and specifications. Lumens on LED's indicate the lumen output without diffuser. (ESP) Estiluz se reserva el derecho a modificar o anular, sin previo aviso, productos de este catálogo. Por favor visite nuestra web para conocer los productos y especificaciones actuales. Los lúmenes indicados son de salida, sin difusor.

COMMENTS / OBSERVACIONES

All ESTILUZ, S.A. products are designed and manufactured to keep customers satisfied, consequently please note the following:

1. Due to the high quality of our finishes, we recommend using a soft dry polish cloth for cleaning, avoiding the use of special cleaning products that could damage the finish.
2. Do not use lamps of a higher power than indicated.
3. All models are patent protected.
4. Conformity Certificates and technical information of our products are available upon request.

Los productos de ESTILUZ, S.A han sido diseñados y fabricados para satisfacer al máximo a nuestros clientes, debiendo por ello informarles de:

1. Dada la alta calidad de nuestros acabados, aconsejamos efectuar la limpieza exclusivamente con una gamuza seca, evitando el uso de productos especiales que podrían dañar la superficie.
2. No deberán utilizarse bombillas de potencia superior a la indicada.
3. Modelos protegidos por el Registro de la Propiedad Industrial.
4. Certificados de Conformidad e información técnica de nuestros productos disponibles bajo consulta.
